最终样品确认 Final sample confirmation

Date: 2026-11-01 Source: 13_sample_confirmation Audience: internal

独立后续事件

Sample	SMP-NL-002; simulated physical sample event
Scope	TP-NL-V2 and CB-02-DEMO only
Decision	Simulated unconditional sample approval
Source	customer-sample-v2.eml
仍待确认	contract acceptance; payment verification; supplier release; internal production release
系统登记	File existence does not create an approval; bind to the actual current application artifact
